

The Coordinated Admission in Denmark

**Tine Bjerregaard, Head of Admission,
Danish Agency for Science and Higher
Education**

Agenda

1. The Coordinated Admission – purpose and facts
2. The higher education system
3. The Admission process
4. The application portal: Optagelse.dk
5. Assessment of the applications
6. Distribution of the study places
7. Dans – digital admission portal for the next level of higher education

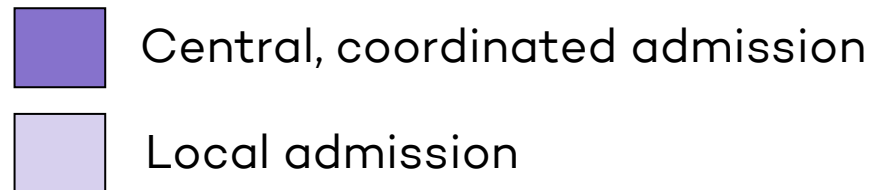

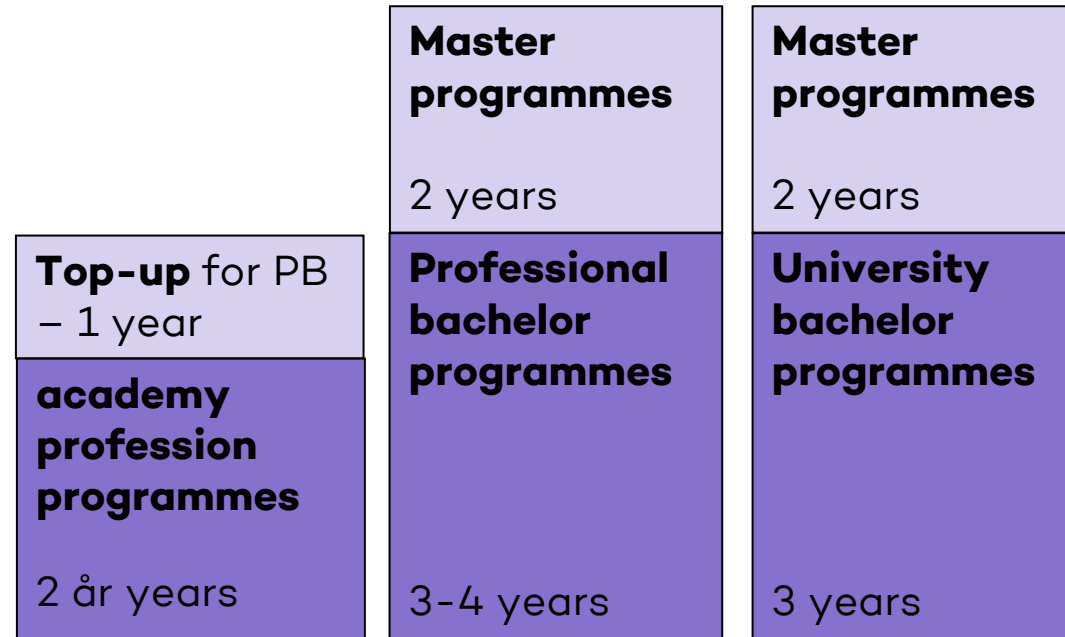

The Danish Coordinated Admission (KOT) – purpose and facts

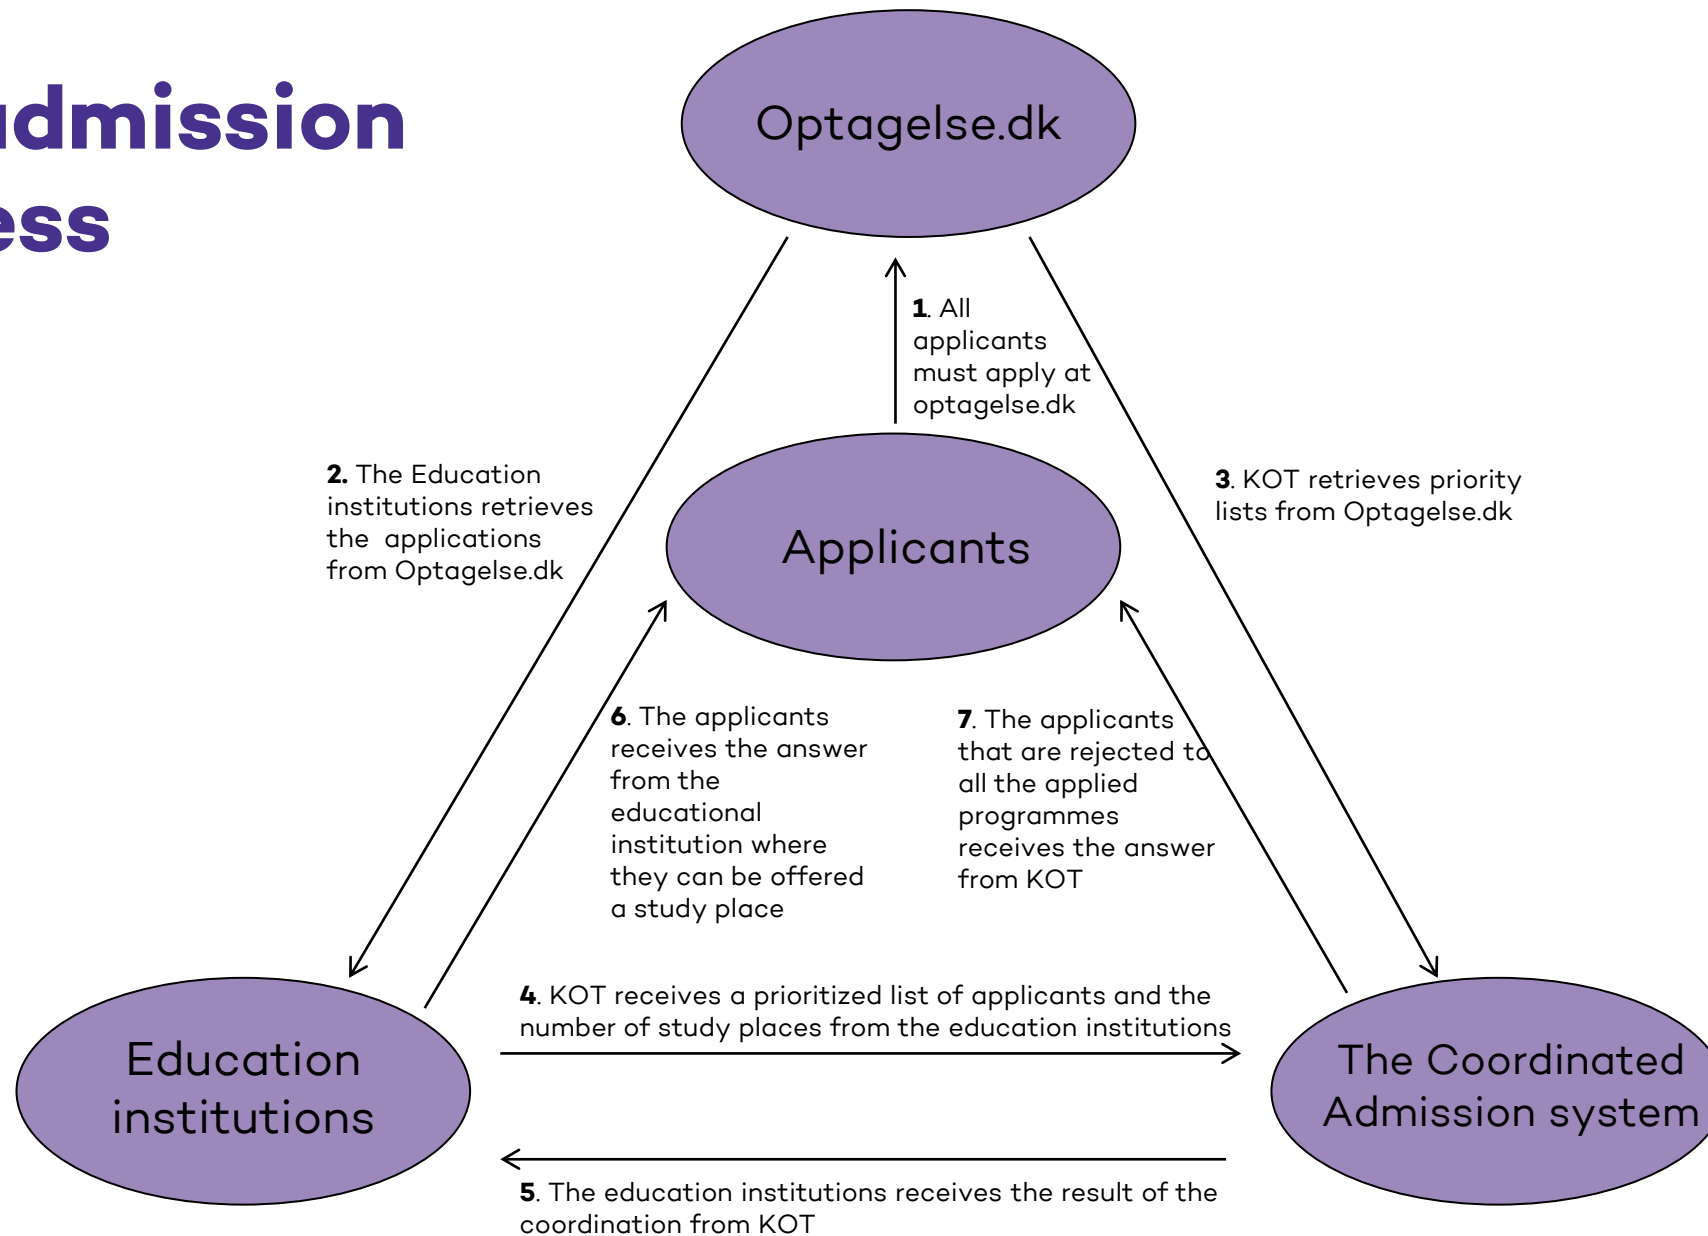

- The main purpose of KOT is to coordinate the admission to higher education to make sure, that any applicant can apply for admission to up to 8 programmes, but will receive only one offer for a study place - at the highest possible priority.
- More than 90.0000 applicants with 250.000 applications to 880 programmes at 34 higher educational institutions

The higher education system in Denmark

The admission process

The application portal: Optagelse.dk

 [Søg ungdomsuddannelse eller 10. klasse](#)

Her søger du 10. klasse, erhvervsuddannelser, gymnasiale uddannelser eller anden aktivitet. Det er også her, du kan søge en erhvervsuddannelse for voksne (EUV), hvis du er over 25 år.

 [Søg videregående uddannelse](#)

Videregående uddannelser er bacheloruddannelser, professionsbacheloruddannelser, erhvervsakademiuddannelser, kunstneriske uddannelser eller maritime uddannelser. Du kan både søge dansksprogede og engelsksprogede uddannelser.

 [Apply for higher education in English](#)

In this area you can only apply for higher education programmes taught in English: bachelor programmes, professional bachelor programmes and academy profession programmes.

Systemarbejde på Optagelse.dk tirsdag d. 14. november

Der er systemarbejde på Optagelse.dk tirsdag d. 14. november kl. 14 - 16.
Systemet kan være utilgængeligt i perioden.

The application portal: Optagelse.dk

- Common application deadline
- Applying with a Danish digital signature is mandatory (for Danes)
- Digital diplomas from Danish upper secondary education
- Joint effort to detect cheaters trying to apply with false diplomas

Assessment of the applications

Assessment of applications is done at the educational institutions

The Coordinated Admission - distribution of study places

- The IT-system of the Coordinated Admission distribute the study places based on:
 - o The assessments from the educational institutions
 - o The number of study places and quota allocation
 - o The applicant's priority lists from the admission portal

DANS – Digital admission portal

DANS – Welcome to the Application Portal

AO0001 - Welcome to the Application Portal

Welcome to the joint application portal for master's programmes, electives, continuing and further education and training at the Danish universities.

Select how you want to log in:

In order to use the portal you must log in using one of the following:

- If you already have a login at a Danish University, select 'Log in', after which you must select your University in WAYF-list.
- If you have previously created a user account for this portal, select 'Log in as self-registered user'.
- If you want to log in using NemID, select 'Log in with NemID'.

Important! Remember to use the same login in the future, so that you can find your applications again as they are identified by the email address, that is transferred with your 'Log in' information.

[Log in](#)[Log in as self-registered user](#)[Log in with NemID](#)

New user?

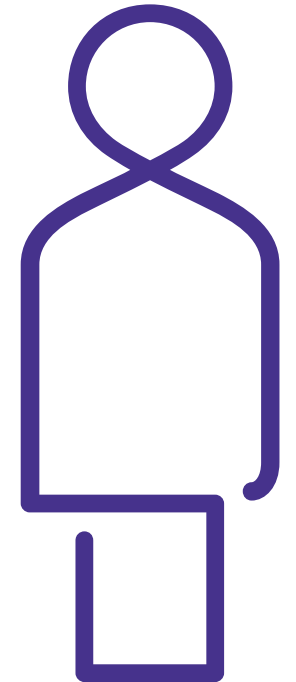

If you don't have NemID or a login at a Danish University, you must first register as a user here.

Use a personal email address, which you will always have access to. If you have any questions about the login to the application portal, you must contact the University for which you want to apply for admission on.

Once you are a registered user, you must log in as a self-registered user.

[Set me up as a user](#)

DANS – Logging in

DANS – A few facts

- Handles all other applications at the universities than ordinary bachelorapplications
- Webservices connecting STADS and DANS
- 100.000 applications pr. year (approx. 35.000 applicants)
- Centrally driven – one database, but universities can not see each others data
- No national clearing/coordination

DANS – Types of educational offers

- Admission Courses
- Single subject course as guest student
- Change of programme – Bachelor
- Change of programme - Master
- Master programmes
- Re-enrollment
- Open education (part time education)
- Special bachelor programmes
- Elective bachelor
- Elective master
- Exchange programs
